

WORK EXAMPLES

Client Name: Proline Painting

Vision

At Proline Painting Services, my vision is to build a strong, search-optimized digital foundation that connects potential customers with the services they need. By focusing on SEO strategy, website optimization, and high-intent content, I aim to improve search visibility, enhance user experience, and support long-term lead generation. Every page, update, and optimization effort is designed to strengthen online presence, drive qualified traffic, and enable sustainable business growth.
